

Sketch Map for Proposed Road Extension/Widening

GPS Coordinates interval depends upon length and curve of the road.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

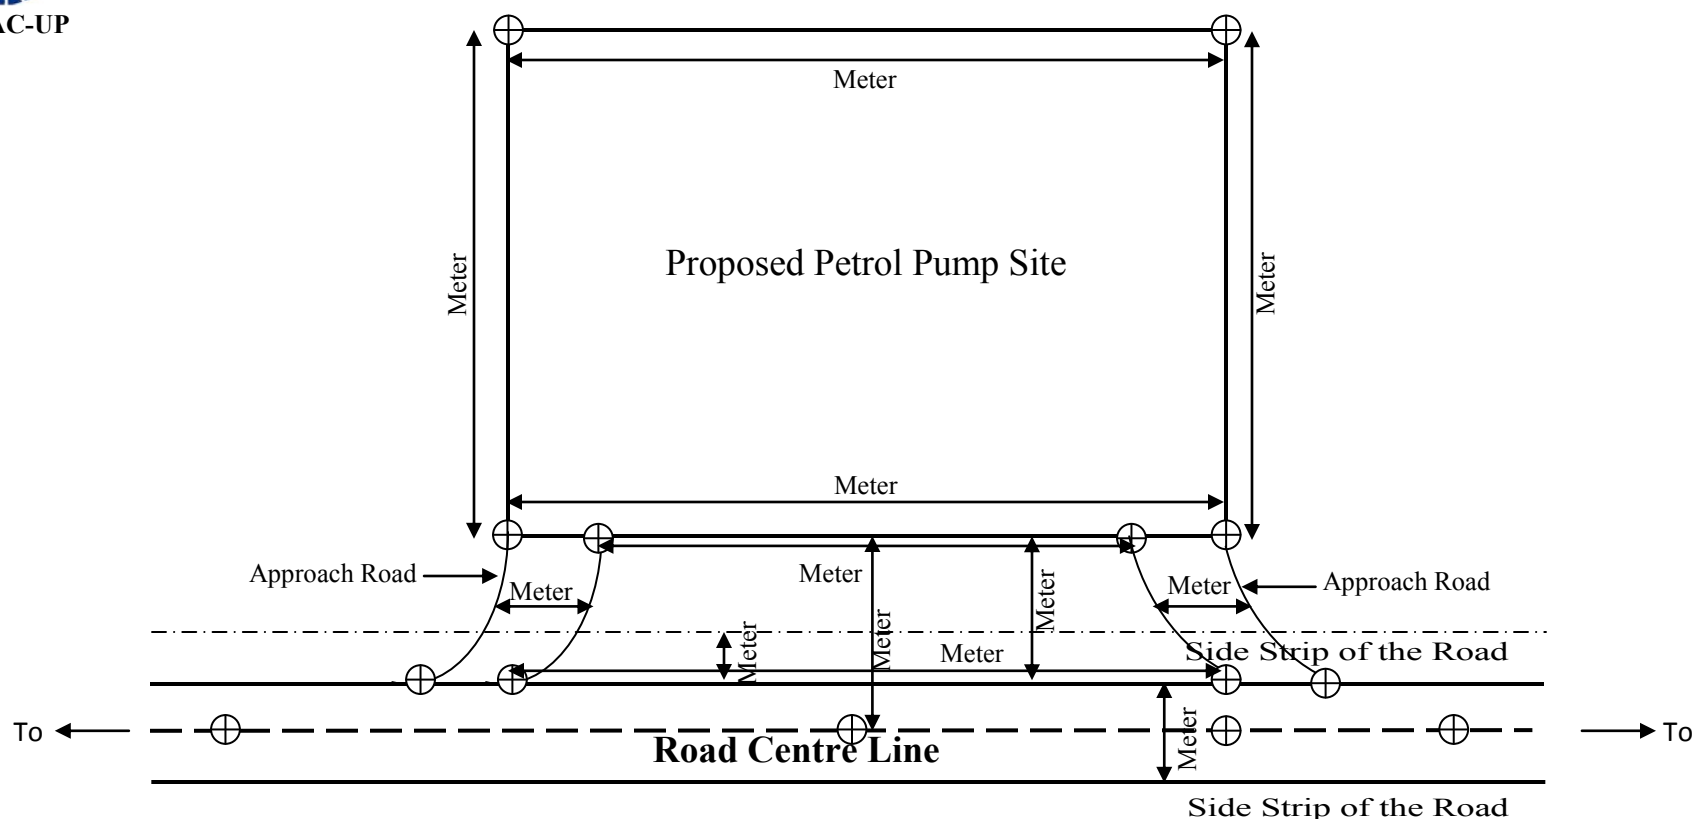

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Proposed Petrol Pump Site

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

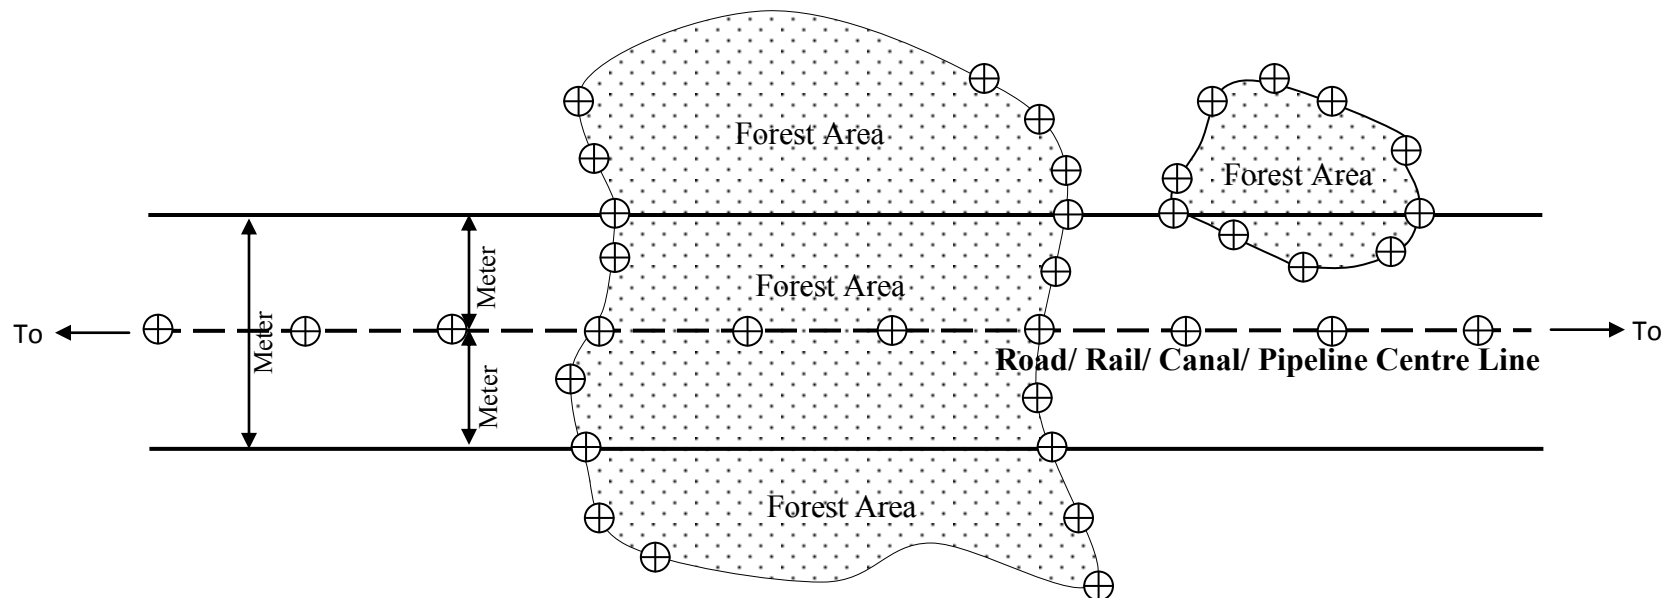

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map would be verified by DFO.
 3. Request letter from DFO.

Sketch Map for Construction of Road/ Rail/ Canal/ Pipeline Proposed in Forest Area

GPS Coordinates interval depends upon length and curve of the road/ rail/ canal/ pipeline and forest boundary.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

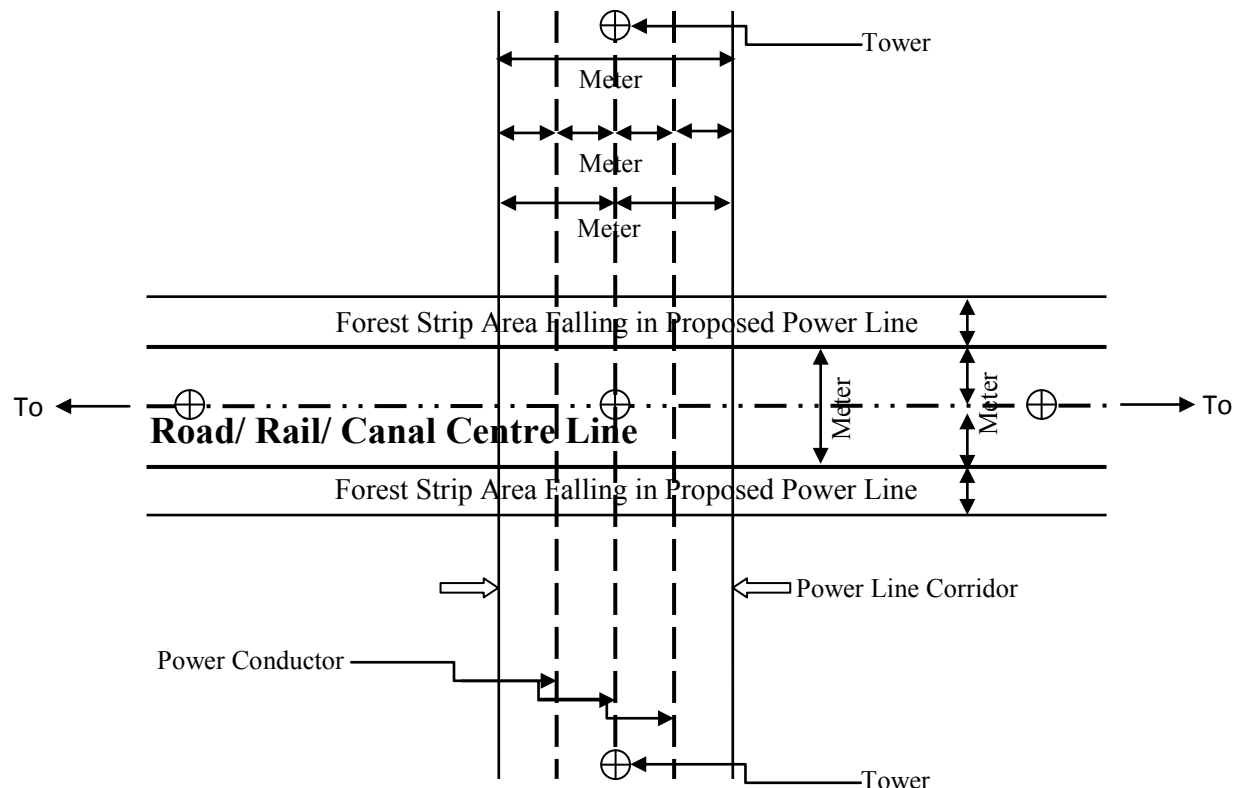

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Proposed Power Line on Road/Rail/Canal Crossing

GPS Coordinates interval depends upon length and curve of the road/ rail/ canal and power line.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

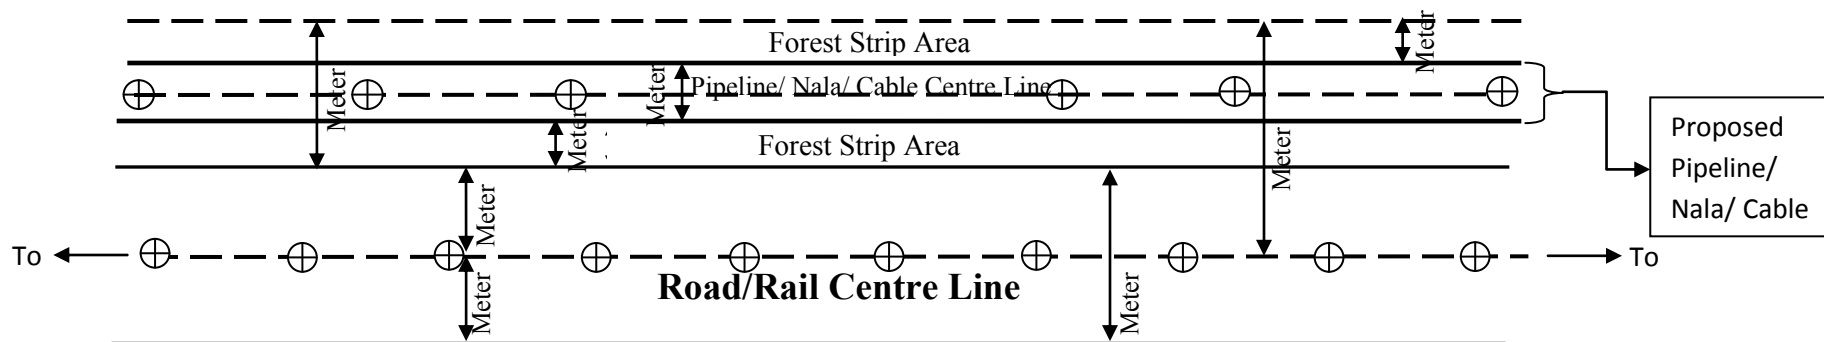

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Proposed Pipeline/Nala/Cable along the Road/Rail

GPS Coordinates interval depends upon length and curve of the road/ rail and pipeline/ nala/ cable.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

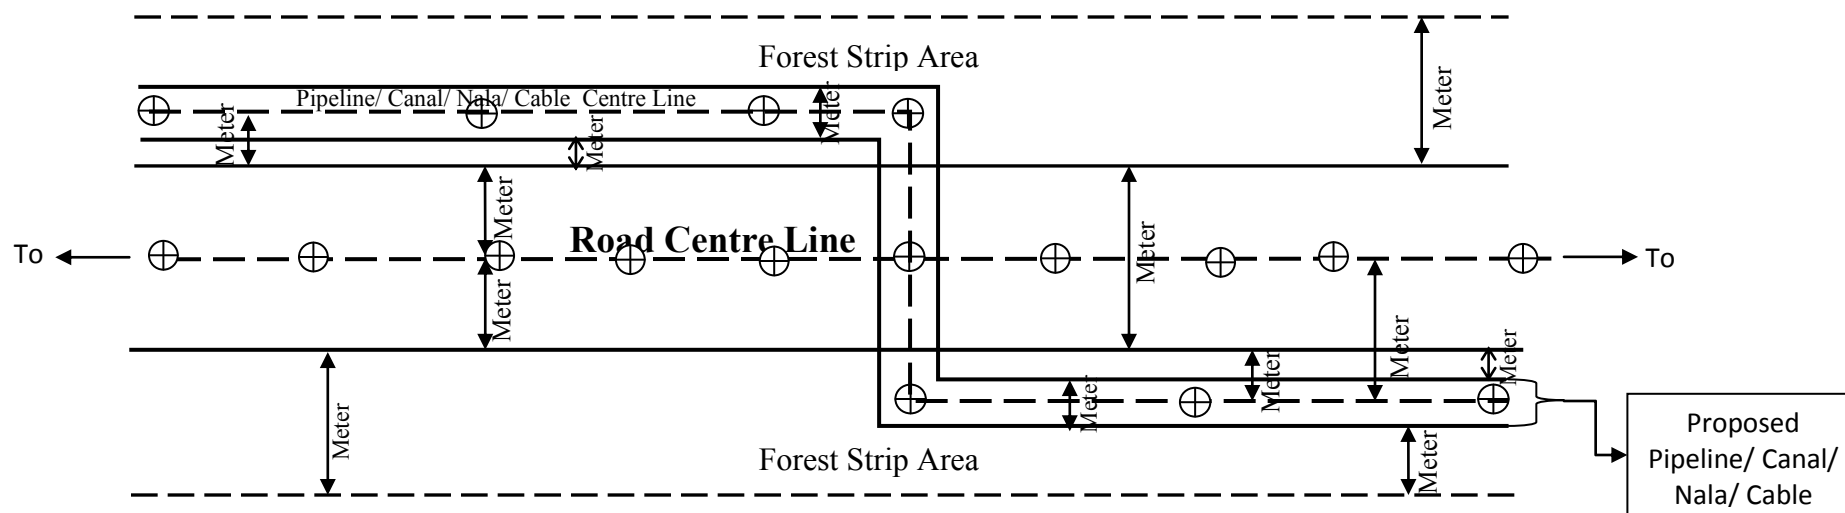

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

RSAC-UP

Format - 7

Sketch Map for Proposed Pipeline/ Canal/ Nala/ Cable on Road Crossing

GPS Coordinates interval depends upon length and curve of the road and Pipeline/Canal/Nala/Cable.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

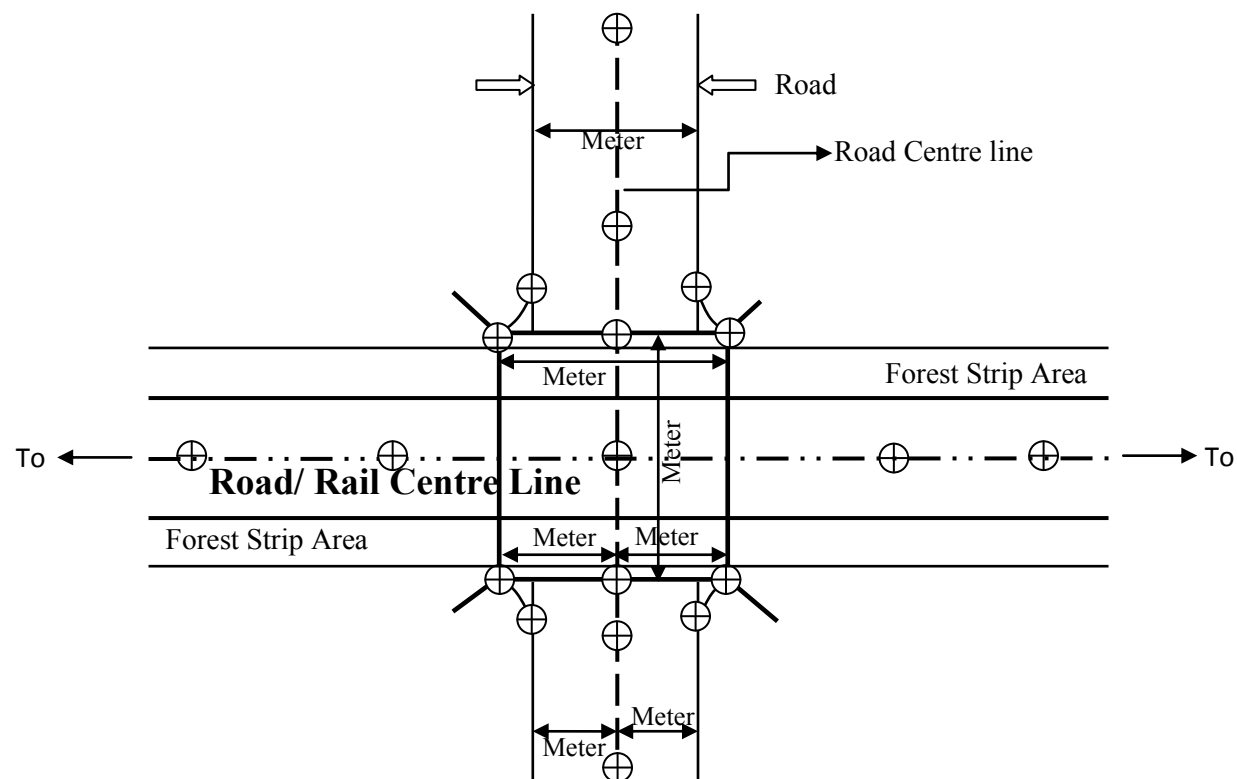

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Proposed Flyover/ Bridge Crossing on Road/ Rail

GPS Coordinates interval depends upon length and curve of the Road/ Rail and Flyover Bridge

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

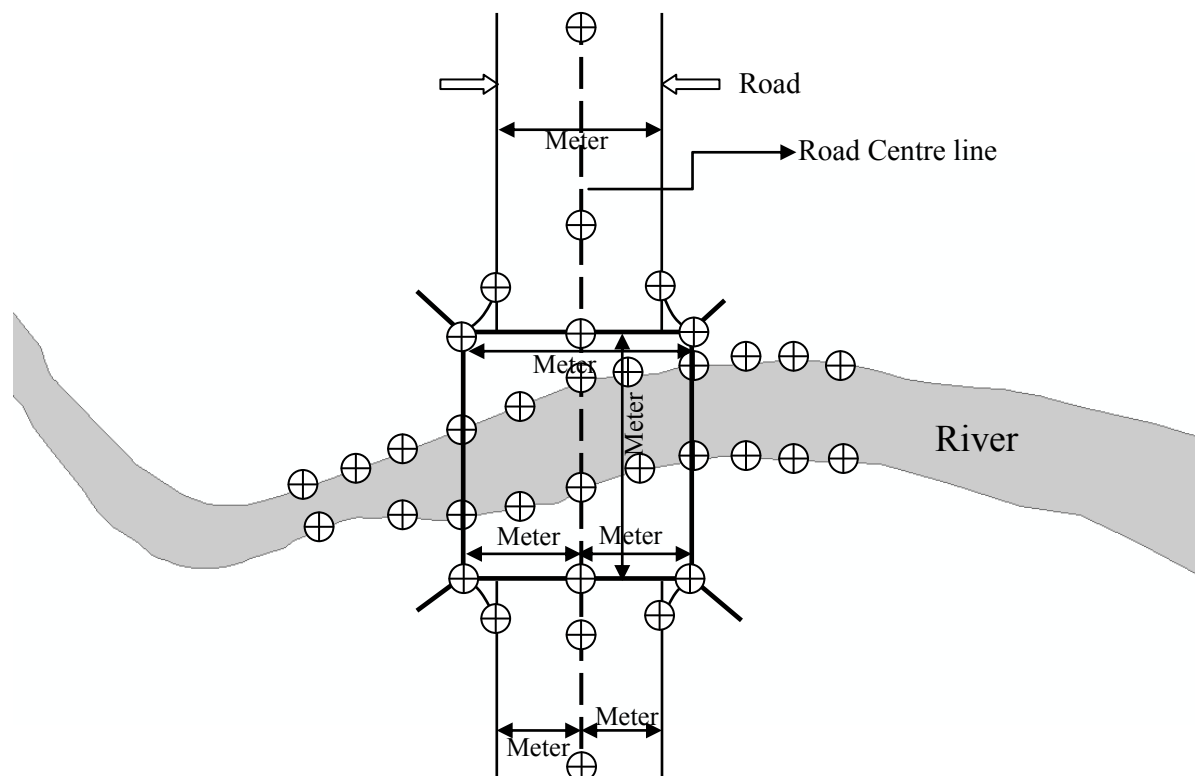

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Proposed Road & Bridge Crossing over River

GPS Coordinates interval depends upon length and curve of the Road, Bridge and River boundary.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

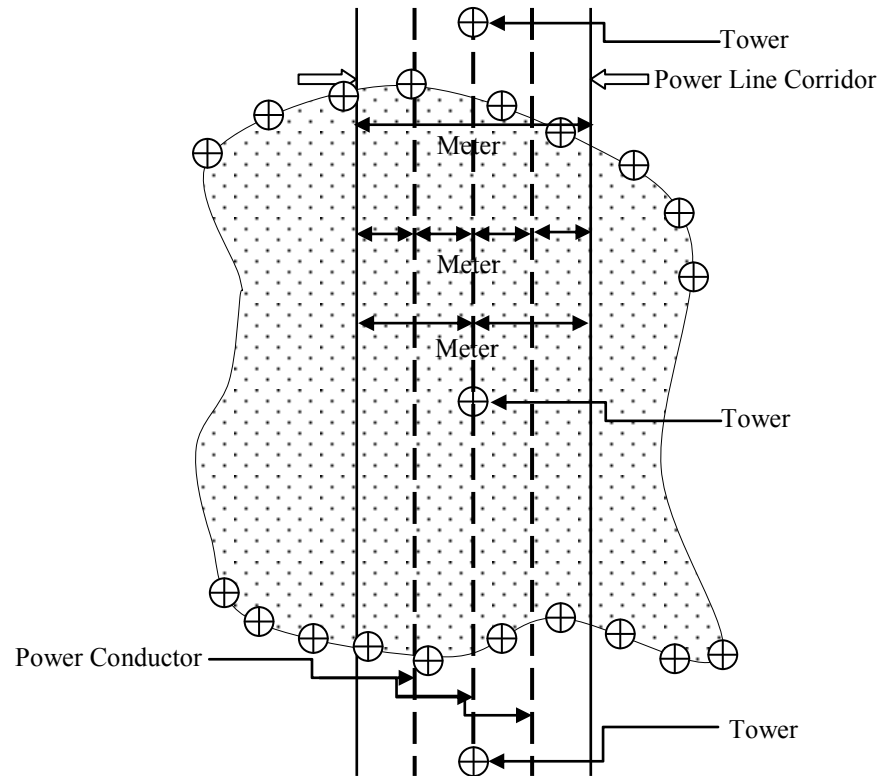

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Proposed Power Line Crossing from Forest Area

GPS Coordinates interval depends upon length and curve of the Power Line and Forest boundary.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

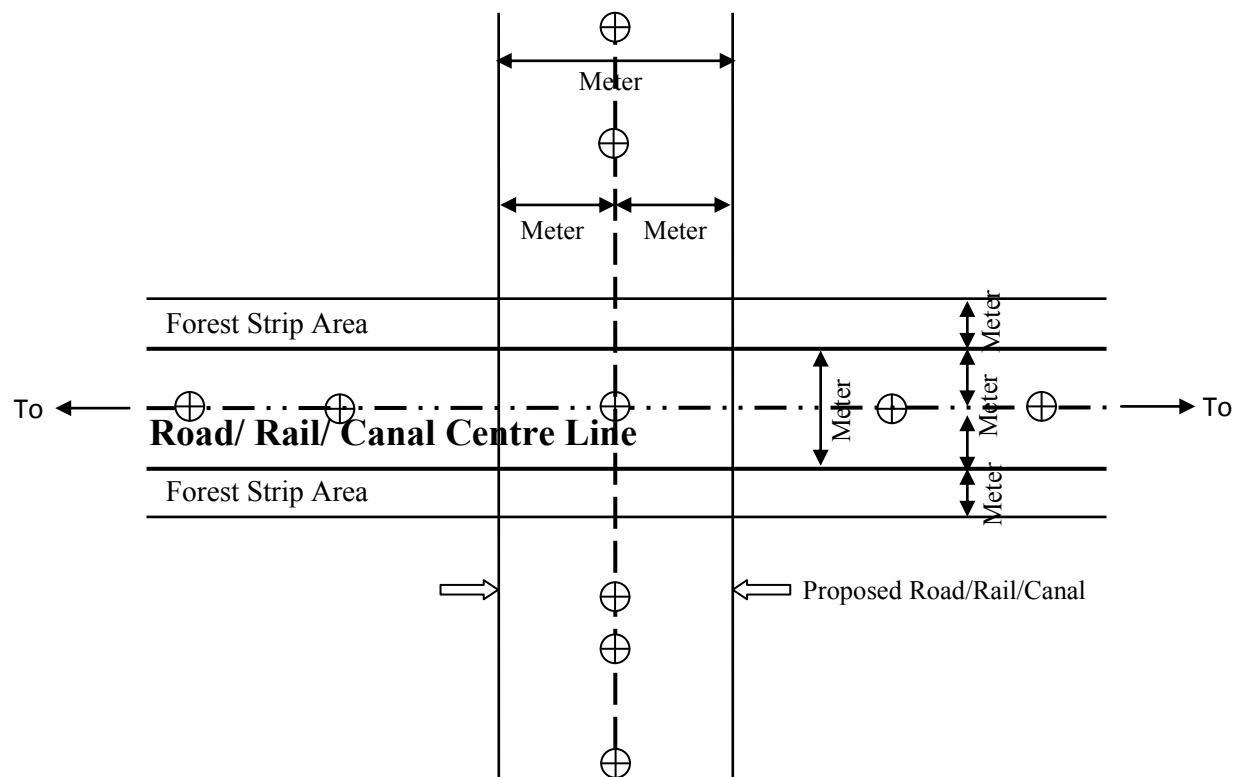

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Proposed Road/Rail/Road on Road/Rail/Canal Crossing

GPS Coordinates interval depends upon length and curve of the road/rail/canal

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

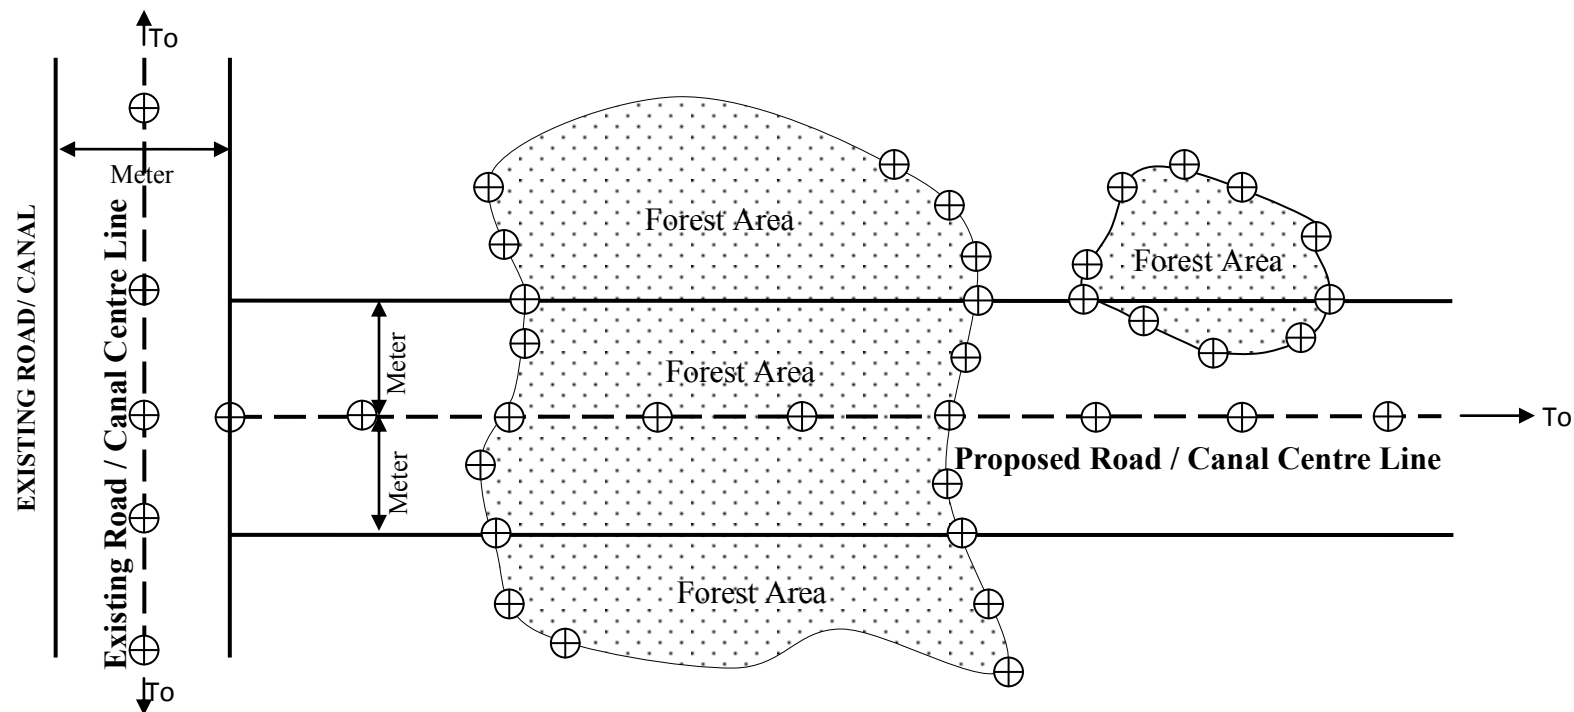

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Construction of Road / Canal Proposed in Forest Area

GPS Coordinates interval depends upon length and curve of the proposed road/ canal/ existing road and forest boundary.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

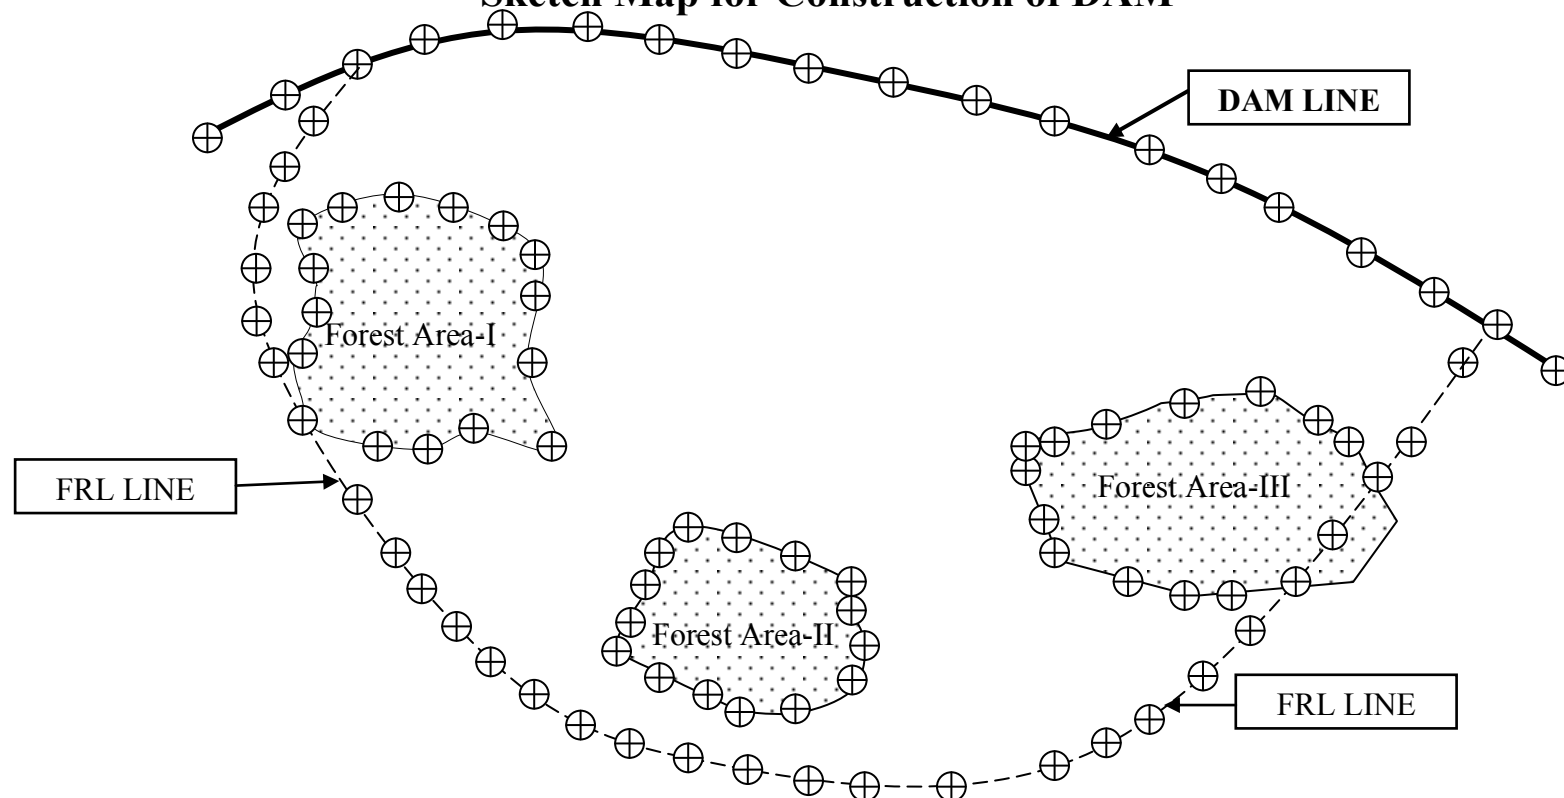

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Construction of DAM

GPS Coordinates interval depends upon length and curve of the Dam Line, FRL Line and forest boundary.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

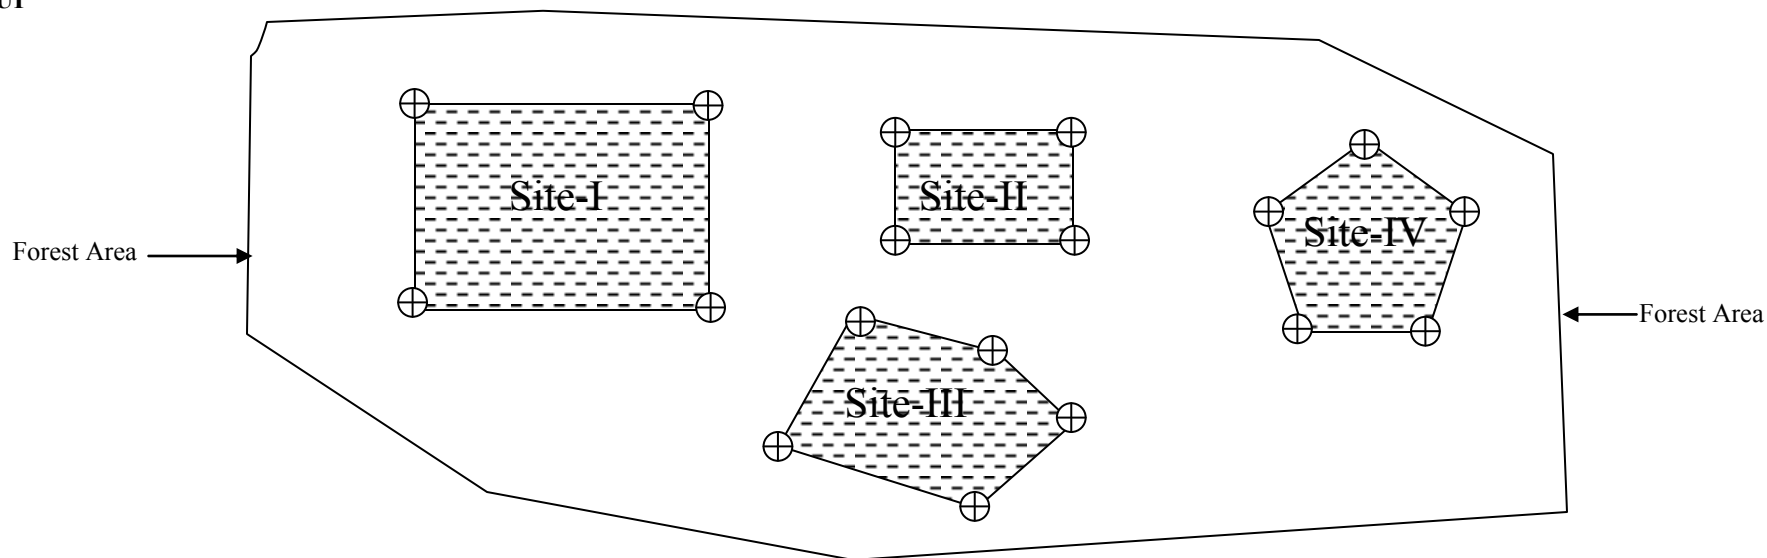

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Compensatory Afforestation in Forest Area

GPS Coordinates interval depends upon curve of the boundary (Area) for compensatory Afforestation in forest area.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

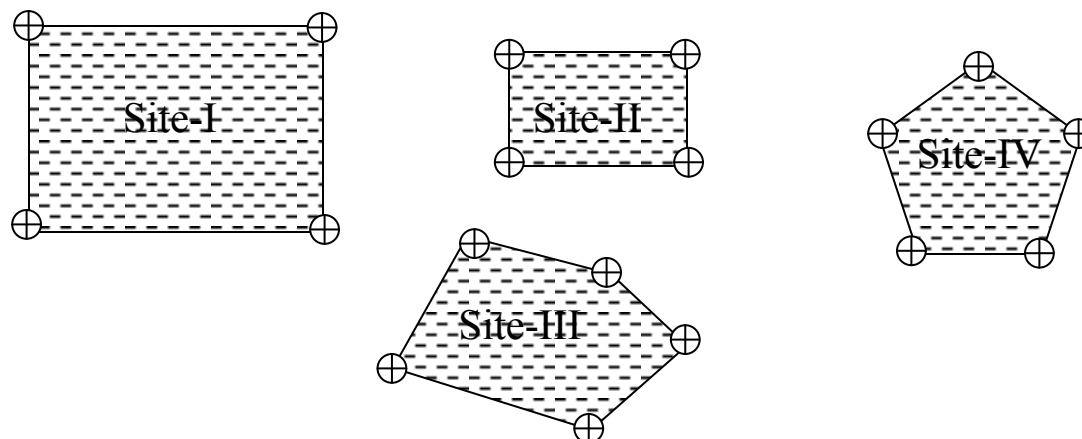

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.

Sketch Map for Compensatory Afforestation in Outside Forest Area

GPS Coordinates interval depends upon curve of the boundary (Area) for compensatory Afforestation in outside forest area.

⊕ GPS Coordinates: Degree, Minute & Second; GPS Setting: WGS-84 Datum

Sl. No.	Latitude			Longitude		
	Degree	Minute	Second	Degree	Minute	Second

Demand Draft: Rs. 30,000.00 (For each Site)

In Favour: Director, Remote Sensing Applications Centre, U.P., Payable at Lucknow

- Note:
1. GPS Coordinates will be provided in Hard Copy and Soft Copy (Excel format).
 2. GPS Coordinates and Sketch Map will be verified by DFO.
 3. Request letter from DFO/ Concern Department.
